Dedicated to Promoting, Preserving, and Racing the Chrysler Name

The Prez Sez

By Rick Sorak

Fellow Mopar Faithful,

The Jan. meeting happened but very few cared. After mailing out almost 60 newsletters to try and drill up a good turnout, I think the big storm late that afternoon kept most everyone but the diehards away...Thank you, to those who did come. We decided to keep meeting at this location thru March. And April we will move again....3 months in a row for each location...we decided moving around every month was hurting more than helping. So The February meeting will be Tues. the 5th @ Country Home Buffet, 6105 Stage rd. please try and come.

The planning of monthly events went well, Mike McKenna has agreed to organize something for March, and Stan Walker has April, and David Whittaker has May...I also talked with Ray Fudge and he's gonna get with his boss George Poteet and arrange a tour of his many, many cool cars. This will be a not to miss event, as George has a car in a different magazine almost every month.

The National Civil Rights museum car we look after has been repainted, and from what I hear looks better than ever. We are looking for people to help keep it washed/waxed etc....Please talk to Mike McKenna if interested.

The club will have liability insurance again through a different insurer, Haggerties.

Please check out the club websites if you haven't recently. Notice that was plural, we have a new companion site that has a **forum** and places for you to post pictures and videos! Also please add yourself to the froogle map so we can better centrally locate meetings to the members.

Thanks

P.S. Please remember to renew your membership for 08, If you stop getting a newsletter in the mail after March this is why....**Thanks** to all those who have all ready renewed for the GREAT coming up 08 yr.

Club Meeting: February 5th at Country Home Buffet on 6105 Stage @ 6:30P.M. (This is the old Ryan's we used to meet at.)

That's all folks, but not for long! We're gonna be busy come spring!

MID-South Mopars

January, 2008

Minutes

Was it the bad weather or was it because we had our meeting a week later? I don't know but only 17 members were at the January meeting. President Rick Sorak called the meeting to order at 7:20. Rick wants to have 7 monthly events plus a Car Show in October. Several members chose a month to come up with an activity for that month. Not to worry if you were not there we still have a few months left. So far we have:

March Mike McKenna

April Stan Walker

May Mike Davis

June, July Open

August Jerry Morris

September Open

October Car Show

November Garage Tour

Bobby Buffaloe is going to get the location for the Car Show (Wolfchase Mall) and report back at February meeting.

We need stories and articles for our newsletter. You can go to the website and get the Mopars of the month form, fill it out and get a picture of your car. Rick will print your story and picture.

Mike McKenna gave a treasurer report and reported that dues were slow in coming in. Don't wait; March meeting is the deadline or no more newsletters. Officers and Staff remember you can't hold an office if you are not a member. Mike also said we now have another Insurance policy.

Jerry Morris challenged all members to invite two (2) people to next month's meeting.

We voted to move our meeting location every three (3) months. This may help when inviting someone to the next meeting.

With all said, meeting closed at 8:20.

Jerry Morris

Fellow Mopars

There is still talk going around about things that happened in 2007. 2008 is a New Year and I say what happened in 2007 should stay in 2007. We have a great staff that is planning a great year. We are planning 7 events plus a Car Show. In order to make this a great year we need your help. The Officers and Staff met in December to help plan 2008 calendar and I am excited about some of our future events

We had a slow start at the January meeting. Only 17 members were there. Was it because we had to change the meeting night because the first Tuesday was New Year's Day or was it because there was a storm a few hours before the meeting? It's hard to say but let's shake it off and start planning for February. Invite everyone with a Mopar to our next meeting. Tell everyone about the New websites

We can use your help with our newsletter. Find some old articles, stories, pictures, and items for sale, items you are looking for or car jokes and send them to Rick for the newsletter.

Remember a club is only as good as you want it to be. I will close in saying that the officers and staff can't do this alone we need your help.
