Dedicated to Promoting, Preserving, and Racing the Chrysler Name

The Prez Sez

By Rick Sorak

Fellow Mopar Faithful,

The meeting location this month....Perkins @ 1340 S. Germantown Rd, Tues, June 3rd, 6:30 to eat, 7:00 just for the meeting. This meeting location is very nice, please come check it out in your old Mopar.

This month I'm fishing for topics again....and writing this at the last minute, due to Memorial day, and have no ideas what to write aboutThe most obvious thing on my mind is the lack of input from anyone in the club....Most months, between meetings, I never hear from anyone in the club about anything. The 1st thing this club needs to be successful is a running dialogue of ideas and events to be planning and working on, and we don't have any, hence no dialogue. Maybe it's because I've gotten a new phone number 901-399-0245, and no one knows it yet, please make a note of it and please don't hesitate to use it.

Speaking of events whoever was getting the trip to George Ray's together, What happened? Did it happen? If not can we try again? Did we turn out in any numbers for the Big M motorfest on Mud Island?

The Pump Gas Drags happened at the M.S.P. and the Mopars were represented well, the fastest pass of the event was a 7.99 @ 183MPH by a twin turbo Viper, but he did not win as he had redlighted in an earlier round. There was a 69 Barracuda with a nitroused 528 Hemi that ran in the mid 9's and a 68 Dart with a B1 headed big block that was very strong and came in 3rd I think, he ran in the low mid 9's. The final few rounds were run on Sat. after a rainout Fri. eve.

Hope to see ya at Perkins, June 3rd .

Rick
