Featured car for September

VP Daves 64 Dart GT at Central Church show last September

The Prez Sez
David Whittaker

Hello, my fellow Mopar members. We are working on having a great 25th Anniversary. We are going to have our Anniversary party at Leonard's BBQ on November 1st. We will have more info as the time gets closer. When we have our officers' meeting, everyone is invited to join us at these meetings. This is the best place to find out ahead of time what is going to be coming up in the future. This summer has been just too hot to try to plan anything outdoors.

I'll be looking forward to seeing everyone at our September 6th meeting.

David

THE VP'S SOAPBOX
Dave Shepard

Hello fellow Mopar enthusiasts!!!

Fall is almost here and I couldn't be happier. The extreme heat and unpredictable storms of the last several months has made it very hard to use and enjoy our cars, both new and old. My vintage Dart has ventured out of the garage only a few times in the last three months, mainly to go to car club meetings. Now that cooler and hopefully drier weather is at hand we need to get our vehicles out and socialize with both other club members and the car club community in general. Let's get out and show the world what real cars are like. Unfortunately that won't happen if we keep our cars locked up in our garages. With that thought in mind, we have a couple of nice local car shows coming up in the next few weeks. The first is the Fayette County Cotton Festival and The Knights Of Columbus Car and Truck Show to be held on Saturday September 10, 2011 at the Somerville TN Town Square. Fritz and I went to this show last year. Although rain threatened, it was a nice event to attend. Since it is not just a car show, there are a lot of things to do besides just attending the car show. There are food and arts and crafts vendors etc. It's all set in a small town square atmosphere. I tentatively plan to attend again this year. If anyone is interested in caravanning together to Somerville please let me know and I'll try to put something together. The second show I would like to mention is the Landers/ Collierville Police Department Car Truck and Bike show to be held on September 17, 2011 at Central Church in Collierville. This is probably the largest car show held in the Memphis TN metro area. Last year, at our club's request, additional Mopar classes were added. This year there are a total of seven Mopar classes listed. Since The Mid South Mopars no longer put on our own car show, this is the show we all need to support. There are enough classes that everyone should have a shot at a trophy. I plan to be there with the Dart. If you can, I urge all members to bring their car(s) to this show. If you don't have a car to enter in the show please plan to come out anyway to socialize with other club members. This is also a great place to recruit new members.

I am still trying to reschedule our "rained out" cruise and picnic. It probably won't be able to happen until sometime in October or early November.

Our September meeting will be held Tuesday September 6th at the Grand Buffet in Southaven MS. I am told it is located near the I55 - Goodman Rd. intersection. I hope to see you all there. Drive your Mopar, an older one if you own one!

Regards,
Dave

CLUB MERCHANDISE FOR SALE
